\$225

CN Heating reserves the right to reject any annual heating system maintenance if an inspection by our service technician finds the equipment to be in such condition that service will be unsatisfactory to both parties. Some existing systems may require code updates to satisfy State of Maine and NFPA requirements. CN Heating will endeavor to render prompt and efficient service hereunder, but it is expressly agreed that CN Heating shall in no event be liable for damage or loss caused by delay or any loss arising out of performance of this annual heating system maintenance.
